

SUMMERFESTIVAL 2008REPORT

Summer in Europe is Festival / Competition time. Cities across Europe resound to the sound of visiting musicians who participate in International Music events which attract hundreds, sometimes thousands, of musicians from across the world.

For many years now, Gullivers Sport and Music Travel have been assisting music ensembles from Australia, New Zealand, Hong Kong and Singapore to participate in Festivals and Competitions in Austria, Italy, France, Hungary, Czech Republic, England, Wales and Switzerland.

During this past European summer, we have assisted school choirs, orchestras, bands and community choirs from Australia, New Zealand and Hong Kong to participate in the Summa Cum Laude Festival in Vienna, the World Choir Games in Graz, Tours (France), the Montreux Jazz Festival (Switzerland) and the very famous Llangollen International Choir Eisteddfod. It was my pleasure and privilege to be on the Jury for 5 of those International Festivals / Competitions.

Gullivers Sport and Music Travel has exclusive rights for Australia and New Zealand for the Summa Cum Laude Festival held in the famous Musikverein in Vienna, and would welcome the opportunity to work with you and your school music group to enjoy participation in this great Festival and others.
